

# HOW TO GET THERE?

Here you have some short but clear instructions:

Highway AP7 (formerly called A7) E15: BARCELONA-GIRONA-FRANCE.

**Coming from Barcelona**, take exit 9A: Lloret de Mar / Sant Feliu / Palamós (\*). It means some 70 km on the highway and 65 more on the road, passing near Sant Feliu de Guíxols, Platja d'Aro, Palamós and Palafrugell, and finally reaching Begur.

**If you come from the North** (i.e. french border...), leave the highway in FIGUERES, and follow the indications to, successively, Barcelona, Torroella de Montgrí, Pals, Regencós and finally Begur.

Once in Begur, continue direction AIGUAFREDA (where the hotel is placed) and SA TUNA (the nearby cove, which is better indicated).

Some 2 km past Begur, on your left, take the deviation to AIGUAFREDA / Cap Sa Sal / HOSTAL SA RASCASSA.

At the first crossroads (I said crossroads, not deviation!), go on straight ahead (direction AIGUAFREDA and LES TERRASSES).

300 metres ahead, after the tennis courts, beside the parking lot, there we are!

(  
\*) **IMPORTANT!** on week-ends and holidays, traffic jams are frequent, therefore an alternative route is adviseable: leave the highway on **exit 6 (Girona Nord / Banyoles / Olot)**, some 100 km from Barcelona and 60 from the french border.

**After the toll** (to the hotel you still have some 45 km) drive always in direction to PALAMÓS.

**7 km after LA BISBAL**, at the round point, turn left, in direction to Begur. And once there you already know... **If you come from Girona airport:**

Take Highway AP7 (formerly called A7) E15: France-Girona-Barcelona, which is very close to Girona airport. Direction North (France).

After just a few Km, leave it on exit 6, and go on as indicated above.

Have a nice drive, and good luck!
